Subject: Notice of Withdrawal of Claim

Dear Madam Clerk:

On or about February 21, 2009, I submitted a claim to this court against Superior Air Parts in the amount of \$5,591.57. I have since received notice from the court that my claim was accepted.

Basis for my claim were two invoices submitted to the law firm of Maloney, Bean, Horn & Hull in the amounts of \$1,045.00 and \$4,546.57. These invoices were for services rendered in defense of a law suit against Superior Air Parts and represented by the above firm. I have just recently received full payment from the firm of Maloney, Bean, Horn & Hull. **Thus, my claim is no longer valid and should be withdrawn.** Any remaining claims against debtor Superior Air Parts, if any exist at all, as a result of my services now rests with the firm of Maloney, Bean, Horn & Hull.

Sincerely yours,

Roger W. Stallkamp
